

## DRAFTING A LOCAL MISSIONARY PROJECT

*This document is not an official one, but is offered by the General Committee on Mission to all the provincial superiors as a meaningful tool to handle the many different projects, pastoral as well as sectoral, running in their Province.*

*This document is in alignment with the document Drafting a Provincial Missionary Project and can help in defining better the specific projects of a Province. It can be useful also in presenting the project to the local bishop or to members of the GG.*

NAME OF LOCAL PROJECT:

LOCATION:

PERIOD OF IMPLEMENTATION:

PROJECT PROPONENTS : (members and others)

### I. Description of the Missionary Activity

- A. Short History of the Project
- B. Description of the Present Local Situation  
(Socio-Economic, Political and Cultural/Religious Situation)
- C. Description of the Local Church (Diocesan Pastoral Thrust, ...)
- D. Description of the Local Parish Situation  
(Number of Religious and Lay Collaborators, Committees, Linkages, ...)

### II. Objectives for the Next Three Years

(What do you wish to accomplish these coming three years? In what priority areas?)

Follow the SMART Method as given in document on *Drafting a PMP*: simple, manageable, attainable, realistic, time bound.

### III. Resources

- A. Human Resources: lay leaders, ministers, social workers, resource persons, etc.
- B. Financial Resources: refer to approved budget  
(Local Resources, Donations, Project Co-Sponsors, Funding Agencies...)

### IV. Schedule of Evaluation

(How often is the Project evaluated ... by the Provincial Government, by the Parish Pastoral Council, by the Diocese ...?)

### V. Projected End of the Project

(What is the time-table of the Project/Commitment/Involvement?)
