

72/22

Rome, 30th June, 1972

To all Superiors General
To all their delegates for Sedos
To all members of the Sedos Group

This week:

Towards the end of March we circulated a first list of courses of continuing education in Africa. It was a timid try, made without any illusions, indeed, demanding updating and developing.

The signs of appreciation and encouragement which reached us made us proceed with our quest, concentrating on Asia and Latin America. This issue of our documentation services gives you the outcome.

You will see that we are far from being complete, especially as regards Latin America. In fact, the response to our questionnaire has been very limited.

As we did in March, so we invite you to send us your comments on these lists. And if you know of other courses of continuing education, please send us the addresses so that we can contact those in charge and thus fill in the gaps in our information. This applies to Africa, as well as to Asia and Latin America.

Sincerely yours,

P. Antonio IBBA, sx

AMERICA LATINA : Cursos de Formación Permanente

1. A fines del mes de Marzo presentamos a Uds. por primera vez una lista de los Centros de Formación Permanente en Africa. Se trataba solamente de un ensayo que, lejos de ser definitivo, exigía, por el contrario, revisión y complemento.
2. Las voces de estima y de aliento que han llegado hasta nosotros nos animan a continuar este trabajo, en relación con Asia y América Latina. Nos complace el ofrecerles hoy un primer resultado.
3. Como pueden advertirlo, está lejos aún de ser completo, especialmente en lo to cante a América Latina. Anotamos también que las respuestas a nuestra Circular fueron muy reducidas.
4. Como quedó dicho en Marzo, mucho agradeceríamos sus observaciones sobre el con tenido de esta información; y si conocen Uds. otros Centros de Información, For- mación Permanente, sírvanse enviarnos al menos la dirección de los mismos. Esto nos permitirá ponernos en comunicación con ellos y solicitar, de los responsables, las informaciones que requiere nuestro trabajo de investigación, tanto en lo re ferente al Asia, como al Africa y a la América Latina.

ASIE & AMERIQUE LATINE : Cours de Formation Permanente

1. A la fin du mois de Mars nous vous offrons une première liste des Centres de Formation Permanente en Afrique. Il s'agissait-là d'un essai bien timide, qui n'avait certes pas la prétention d'être définitif et qui, au contraire, exigeait d'être mis au point et complété.
2. Les expressions d'estime et les encouragements qui nous sont parvenus, nous ont permis de continuer notre travail de recherche pour l'Asie et l'Amérique Latine. Et maintenant, nous vous en présentons les résultats.
3. Vous vous apercevrez que nous sommes très loin d'être complets, surtout en ce qui concerne l'Amérique Latine. En effet les réponses à notre circulaire furent très peu nombreuses.
4. Comme nous l'avons déjà fait en Mars, nous vous invitons à nous faire parvenir vos remarques sur le contenu du catalogue. Et, si vous connaissez d'autres Centres de Formation Permanente, envoyez nous au moins les adresses pour que nous puissions demander directement aux responsables les informations utiles pour perfectionner notre travail. Et cela aussi bien pour l'Asie et l'Amérique Latine, que pour l'Afrique.
