

72/11

Rome, 24th March 1972

To all Superiors General
 To all their delegates for Sedos
 To all members of the Sedos group

This week:

We are circulating the first fruits of the efforts of Fr. A. Ibba to draw up a usable list of missionary training facilities in Africa. This is a response to a felt need regularly expressed to the Sedos Secretariate by the member Generalates, to know what exists on the spot in this field. Formation is, of course, a priority for the missionary-sending institutes. We hope that this list will grow as we receive your reactions: we are well aware that you have the information we lack!

WITH THIS WE WISH YOU ALL A HAPPY EASTER
 - full of the Light and Joy of the Risen Lord!

NOUS VOUS SOUHAITONS DE JOYEUSES FETES DE PAQUES
 -Réjouissons-nous dans la Lumière et la Gloire du Christ Réssuscité!

The Secretariate will close down from Holy Thursday, March 23rd, to Easter Wednesday, 5th April. The next weekly bulletin will be distributed on April 14th.

Le Secrétariat sera fermé du Jeudi Saint, 30 mars, au 5 avril, inclus. Le prochain bulletin hebdomadaire sera distribué le 14 avril.

Meanwhile here is our programme for the coming weeks:

Sincerely yours,

P. Leonzio Bano, fscj

AFRICA: FORMATION FACILITIES / COURS DE FORMATION

1. It was decided to draw up this Directory since several members of the Generalates, and especially Mission Secretaries, had, on different occasions informed the Sedos Staff of the need for more information about openings made available to the members of their Institutes by the various courses of On-Going Formation set up in the mission countries (Asia, Africa, Latin America).
2. The Sedos Secretariat took the hint and proposed the project of a Formation Facilities Directory to the Executive Committee. The latter accepted the proposal and entrusted the Secretariat with the organization of special formation facilities files.
3. The Bishops' Conference, the Association of Major Superiors, the Pastoral Institutes and other agencies were then approached with the request to integrate the information already available at the Sedos Secretariat.
4. Although our efforts have not yet produced all the desired results, we thought it would undoubtedly be useful at this stage to put the information gathered into the hands of the missionaries.
5. We are doing this also with a view to enlisting your help in making the list fuller and more accurate -- so that a second edition of this Directory can be prepared. We would ask you, therefore, to send us your comments and corrections as well as the addresses of centres not listed in the Directory. We consider the latter as a living thing -- well aware that new centres, new programmes, new transfers, new decisions "happen" every day.
6. The data we now have cover about sixty courses in Africa, about twenty in Asia and a few more in Latin America. This first list is restricted to Africa.

7. Our working definition of a missionary formation facility or, rather, course, was "a series of theoretical and practical sessions of at least three weeks, intended to help train or update Church leaders in Africa, Asia and Latin America". We have, however, thought it useful to widen it slightly in order to include catechetical and social training courses. In fact, non-indigenous members from our Institutes could join several of these courses and thus complete or update their training.

HOW TO USE THE DIRECTORY: The number: e.g. 1 53 04 = (1) in Africa
(53) in Zaire
(04) course No. 4

The first figure refers to the continent.
The second and third figures refer to the country.
The fourth and fifth figures refer to the course.

Liste des
CENTRES DE FORMATION PERMANENTE
pour le Personnel Apostolique en Afrique.

1. La décision de préparer cette liste a été prise au sein de l'Equipe Sedos parce que plusieurs membres des Directions Générales et particulièrement quelques Secrétaires des Missions ont exprimé, à plusieurs reprises, le besoin de connaître les facilités offertes à leurs confrères par les différents Centres de Formation Permanente organisés dans les Pays de Mission (Afrique, Asie, Amérique Latine).
2. Le Secrétariat SEDOS accueillit cet appel et le présenta au Comité Exécutif. Celui-ci décida de passer sans retard à la mise en oeuvre d'un catalogue.
3. Une circulaire fut adressée aux Conférences Episcopales, aux Unions de Supérieurs Majeurs aux Instituts de Pastorale et à d'autres Organisations dans le but de compléter et de mettre à jour les renseignements déjà disponibles chez SEDOS.
4. Les résultats de notre recherche sont encore incomplets. Mais nous les publions quand même car ils peuvent déjà être utiles tels qu'ils sont.
5. Nous voudrions solliciter votre collaboration pour compléter et enrichir notre catalogue que nous espérons faire sortir amélioré en deuxième édition. Aussi nous vous prions de bien vouloir nous envoyer toutes les précisions et informations que vous jugerez utiles y compris celles regardant d'autres Centres qui nous sont inconnus. Une liste de C F P doit être quelque chose de bien vivant car tous les jours de nouveaux centres sont organisés et de nouveaux programmes proposés. Il y a aussi des changements d'adresse et des ...décès.

6. Les renseignements dont nous disposons à présent concernent une soixantaine de cours en Afrique, une vingtaine en Asie et un très petit nombre en Amérique Latine.

La liste que nous publions ici est partielle ne comprenant que les renseignements provenant d'Afrique.

7. Pour orienter notre travail nous définissons le Centre de Formation Permanente comme une "...série de sessions théoriques et pratiques, d'au moins trois semaines, ayant le but de faciliter la formation et le recyclage du personnel apostolique en Afrique, Asie et Amérique Latine". Mais il nous a paru utile d'insérer dans notre catalogue aussi quelques centres de formation catéchétique et sociale plus spécialement destinés aux catéchistes et laïcs autoctones. En fait, plusieurs membres du personnel apostolique non autoctones pourraient y trouver eux aussi l'opportunité de compléter ou d'actualiser leur formation.

Pour l'emploi de cette liste

a) Le numéro d'ordre:

le premier chiffre se réfert au Continent
le deuxième et le troisième indiquent le Pays

en Afrique 1.
